

2023 HILLCLIMBER/ PACHYDERM REUNION NOTICE

This is to inform everyone that Dennis Wilson (PACHYDERMS) and I are planning a Hillclimber/Pachyderm reunion for 2023. The reunion will take place in Fayetteville, North Carolina. Before the pandemic we historically had settled on late August or early September as a date range for when to have the reunion.

I am currently looking for a hotel that will fit our requirements. I will post updates on this form as time goes by. Also, I can be reached at the email below. The email is not an active link and you will have to copy it to your email server.

We will keep up with the Center for Disease Control as far as what they are saying about COVID because they could cause us to cancel these plans if they start with health mandate regulations after the November elections. It would not surprise me, but I'm hoping for the best.

This reunion will be for any military members, active, retired, or discharged who were in the Hillclimber or Pachyderm Army Chinook helicopter units. I say this because we welcome all veterans or these units no matter when they served.

When we come up with our hotel and dates it will be very important that you contact us to let us know that you are coming. We have to be very precise in this atmosphere when dealing with the hotels and we want to ensure that there are no surprises that would cause problems with the hotels.
